Situated in the heart of historic Downtown Charleston, this duplex combines renovations w/historic charm & has a location that is tough to beat! This quiet side street is tucked away from the hustle & bustle but a very short walk to Marion Square, the Rainbow Market, Waterfront Park & delicious dining that people travel from around the country to indulge in. The full front porch is perfect for enjoying this peaceful city setting. Inside you'll find gorgeous hardwood floors, original fireplaces, glass door knobs & renovated bathrooms w/beautiful tile/marble work & granite/marble counters. Both kitchens feature granite counters & a breakfast nook eating area. The 2nd level unit also has a finished off attic area that has extra sleeping spaces & a loft area. -This home can be converted into a single family home, or the home can remain as a duplex - Remodeled in recent years -Automated keypad locks and security system -Remote digital thermostats -Beautiful cabinetry by Charleston architect Harry Hitopoulos -Located in highly sought-after Ansonborough
